

We're with you for the long haul

BP is pleased to offer ALTA members a comprehensive fuel card offer - BP Plus card. BP's offer to ALTA includes support and sponsorship, which is proportional to the fuel purchased by ALTA members using BP Plus card. This means that every dollar you spend on BP fuel via BP Plus has a direct contribution to supporting your industry.

BP Plus and ALTA

ALTA members using BP Plus have access to the BP Truckstop network, the widest and most consistent range of dedicated trucking facilities in Australia. You also have access to flexible card and security options, comprehensive reporting and simple online card management.

BP Plus diesel pricing for ALTA members:

- 5.00 cpl (GST incl.) off the diesel pump price at BP Truckstops and Key Diesel sites
- 3.00 cpl (GST incl.) off the diesel pump price at any other BP site

As a valued BP Plus customer, you will have access to a dedicated Sales Manager available for you to contact for any day to day queries.

BP terms

- Each ALTA application will be assessed individually before a trading account is opened
- Terms of sale will be per BP's Standard Terms and Conditions
- Credit terms and payment are 21 days from month end via direct debit

BP Plus – a big plus for your business

BP Plus is a fuel and vehicle expense management solution for business. It enables you to consolidate all fuel and vehicle expenses onto one simple GST substantiated statement, reducing the time spent on fleet administrative tasks and creating ease of information at tax time.

BP has Australia covered - BP Truckstops and Key Diesel sites are strategically located to provide coverage for Australia's major trucking routes. Each site within the network has been designed with the driver in mind and has high flow diesel pumps, 24 hour access, truck parking and fresh meals. BP Plus gives you access to nearly 1,400 BP sites, including the BP Truckstop and Key Diesel site network.

For a full list of BP Truckstops and Key Diesel sites visit www.bpplus.com.au

Purchase options - restrictions can be placed on each card to limit transactions to only those products required by your fleet.

Online account management - 24/7 access to your account through BP Plus Online, allows you to check transaction information, order and cancel cards, view the account balance and download reports.

Customisable reports - create your own customisable reports to suit your business, such as odometer audits, transaction extracts, active card listings and many more.

Security - flexible card security options including PIN numbers and signature strips.

Apply for a BP Plus card now to take advantage of this special offer to ALTA members.

For more information please call BP on 1300 760 039, or alternatively download an application form at www.bpplus.com.au.
